

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-27. (canceled)

B 28. (currently amended) A method for manufacturing a calling card,

comprising:

generating a card, the card being substantially a size of a conventional calling card;

creating a perforation to create a first calling card portion and a second portion;

placing a label on the perforation; and

forming a hole in the second portion.

29. (original) The method of claim 28 wherein the creating includes:

creating 5 or 6 perforations between the first calling card portion and the second portion.

30. (canceled)
